

## A GOOD INLAY

*A Dentist Look at Marriage*

Lot of joking about marriage but God says 1 flesh.

God still master psychologist and knows what's best. Eph 5 tells women what to do and men.

## I. Wives.

1. Submit. Hupotasso, rank, 22, 24.
2. Reverence, phobeomai, 33.
3. Join as 1 flesh, 31.

## II. Husbands

1. ~~κατακυριεύω~~ Head, 23.  
Direction, planning.
2. Love, 25. Easy to follow such a head.
3. Care, 29
4. Join as 1 flesh, 31. = *stay together*  
*share*

Join is compound (with pros) of cleave in Matt 19:5. Used of making inlay. Illus. of good inlay--

1. No leaks. Little one makes decay. Cement won't substitute. Island of gold in sea of cement. Look carefully. Little pebble in shoe.
2. Strong union. Gold soft metal but made right makes 1 strong tooth taking all stresses and strains.

3. Better union. Food used to pack down between; now none bec inlay made a better shaped tooth. God can use partner to make you better.
4. Good dentist fits it right away. If not he starts over. I couldn't make one to fit but God can make perfect marriages.
5. Good dentist costs.
  - a. Wait for appointment.  
Wait to get married.
  - b. Has his own ideas how to make better even if cut away more tooth than think nec.
  - c. Always involves grinding.
  - d. Wait for gold. Don't take cement.

Object lesson

1. Love of X

2. Obedience of ch

3. Hope of bel.

No good marriage without X
