

## BAPTIST BIBLE COLLEGE & SEMINARY

Preparing Passionate Leaders For Global Impact

Dear Dr. Pyrie,

10-03-02

Thank you for coming to BBS.

You are among the "7,000" who have not bowed the knee to Baal! The following are some reasons why I appreciate your ministry among us:

- 1) Your emphasis on the specific and comprehensive attention to the TEXT of Scripture
- 2) Your observations about slippage among evangelical public Bible preachers/teachers/pastors into airing one's own concerns/ideas in a manner that could leave the audience thinking that the preacher's concerns and observations are of equal value with (or grts value) the message of the biblical Text.
- 3) Your fresh, insightful, helpful presentation of "well-known" texts on inspiration, reliability and deity of Christ - e.g., 2 Tim 3:16; quotations of Ps. 110 in the NT; Mt 5:17-18, etc.

Thank you for your ministry, Sincerely in Christ  
Dick Engle.
