

WORD OF LIFE Bible Institute

MEMORANDUM

TO: Dr. Charles C. Ryrie  
FROM: Shirley A. Richards  
SUBJECT: ESCHATOLOGY SYLLABUS & EXAMS  
DATE: May 18, 2007

Welcome back to the Bible Institute! Thank you for taking the time to come to teach Eschatology to our students. I think that you will be nicely surprised to see how much progress has been made on the Ryrie Library. We are thrilled with the progress!!! ☺

Thank you for giving the OK on your Notes so early. These have been copied and were distributed to the students in their Registration Packets in March. I have also included a copy of your Class Notes in this packet. I trust that everything is satisfactory.

I have attached copies of your Exam (and Make-Up Exam) for Eschatology from last year. Your Exam will be given next week, so feel free to make any adjustments to your Exam for next week. I would need the adjustments before you leave on Thursday.

Our new scanning equipment has the capability to produce a report listing various statistics about that particular test. A report from your Final Exam is included in this packet. Feel free to compare the charts to your actual test key to determine if you might consider re-wording any particular questions or might emphasize a particular point more clearly.

Please contact me at the Administration Building (Ext. 4-1430), if you need any further assistance while you are here on Campus.

Again, thank you for coming!
