Dear Dr. Ryrie:

Have you been able to make any firm decision yet with regard to coming to the Institute February 28-March 3, 1978? We certainly would like you to come if this is feasible at this time to teach the book of Colossians.

Would it also be possible for you to think of some dates for the '78-'79 school year? We would certainly like to have you for as many weeks as you can possibly spare. Our students certainly have enjoyed your ministry up here, as well as being an encouragement to our staff.

I trust you are having a good year at Dallas.

In Christ,

Stuart F. Page
Dean of Students
