II. Principle Involved. Agreement. Amos 3:3.

Fellowship is <sup>common interest</sup> ~~agreement~~ and active participation.

A. In Salvation. 1 Cor 1:9  
Agree about need for sal, means (not works but faith) and object of faith. Illus.

B. In Sanctification. 1 Thess 4:3.  
It is separation and holiness. Is there common interest and active participation. 1 Jn 1:6.

C. In Service.

~~choice~~. Giving life is best and most often used means of demonstrating fellowship. Acts 2, Rom 15, 2 Cor 8-9. Money (proportionate), prayer for others service now and later. X's work is praying, we can have fellowship with Him.

Concl. Only thing to prevent agreement is sin. Great privilege. Come to know Him and walk with Him.
