Canaanite religion

1. Basic diff. Jehovah was God of people and therefore demands were ethical on people.

Canaanite gods were gods of land; therefore concern was with fertility. Minimum was 3 gods--chief god (sky god), his wife (earth goddess), and their son.

2. Designations

All male gods lumped under Baal which can be proper name or just mean lord or owner.

Goddesses called Ashtoreth or Ashtaroth ^{Jan 2:13} (Babylonian Ishtar or Greek Astarte). Asherah refers to sacred pole in Canaanite sanctuaries and is consistently mistranslated in AV grove, Judges 2:11,13; 3:7. ^{Jan 2:27} ^{Jan 17:2}

3. Declension of Isl

Step #1--admitting Canaanite gods to place secondary to Jeh.

Step #2--Considering Jeh as super-Baal

Step #3--Canaanized Jeh. People prob not conscious they had forsaken Jeh, Jer 2:33.

All this during period after death of Josh.

Step #4--when kgdom divided, Canaanite influence increased in N. Hos 2:16 against Baalized Jeh worship. Prob included idea of Jeh's wife, and prostitution at shrines tho not mentioned by prophets.

Loyal love (Ellison), dutiful love (Cheyne), leal (faithful) love (G.A. Smith). God's love ^{to man} (Hos 2:19), man's to God () and man to man (4:1; 12:6).
