

Intro. Hear alot about law, legalism, antinomianism, liberty, etc. How shall a Xn live?

Must start on right goot and foundation. And that involves getting rid of the law of Moses.

613 precepts. 365 neg. 247 positive.

#### I. Law was given as a unit.

Note giving of it. Ex 20,21, 25 continue right on.

Note NT. Jas 2:10.

Note punishment in OT times.

Usual division of law

1. Commandments, Ex 20:1-17.

2. Judgments, Ex 21:1-23:33 social requirements

3. Ordinances, Ex 25:1-31:18 regulations for worship.

OK as division but not to divide law into parts more imp't than others.

Note punishment. Commandment about sabbath, Numb 15:32.

Commandment about social requirements, Jer 25:11.

Commandment about workhip, Lev 10.

All dead
