

## WHAT IS FAITH ?

Faith is :-

The human attitude to the Divine revelation.

The attitude of the soul to Christ, as the  
manifestation of God.

It is the foundation fact in life.

Child-----believes its parent.

Pupil-----believes its teacher.

Business----believe in associates.

National----believe word of other govt's

Religiously believe God/ Heb.11:6

Absence of faith---no dealings with others.

Absence of faith---no dealings with God.

FAITH commences with conviction of mind--  
based on adequate evidence.

FAITH continues in confidence of the heart  
based on the above conviction.

FAITH is crowned by the consent of the will,  
thru which conviction & confidence are ex-  
pressed in conduct.

FAITH is not blind, but intelligent since it  
rests on the authority of CHRIST as

Teacher-----Saviour-----Lord.

Prophet-----Priest-----King

Revealing----Redeeming---Ruling.

Intellect.---Emotions---Will
