Dear Dr. Ryrie:

Just a note to let you know how much I appreciate you and your ministry.

I still study diligently the Ryrie Study Bible (NASV) and get a blessing from your study notes and how you never (to my knowledge) compromise one jot or tittle of Scripture.

Also, I appreciate so much your new book, "So Great A Salvation" I have yet to read it and yet do understand it is a rebuttal of John McArthur's view of the gospel.

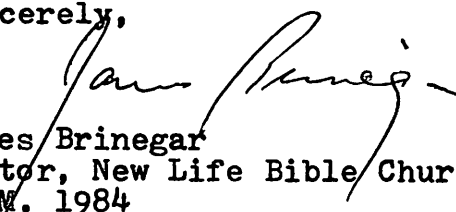

It is needed and appreciated. It is a shame that John will not "subject himself to the spirit of other prophets", but God's truth and gospel will stand and prevail no matter how artful the adversary! I continue to pray for John's correction.

You have been heavy on my heart of recent and I just wanted to write you a hearty letter of encouragement. You are deeply and highly esteemed by myself and the church that I pastor. I will be in Dallas during the Pastors' Conference and would be honored if you would allow me to take you to lunch. If your schedule allows it please drop me a note and let me know what date (between October 16th - 21st) you will be available.

The New Life Bible Church continues to be a staunch defender of dispensation truth, and of the gospel of Christ. You have meant much to me in both my spiritual life and in my quest for solid biblical truth.

An ex-student and in full appreciation of the grace of God that has and will continue to be demonstrated in and through you.

Sincerely,

  
James Brinegar
