Dear Dr. Ryrie:

Enclosed is a copy of my commentary on Micah which was published just a few months ago. I want you to have a copy out of appreciation for your teaching ministry in my life. I am very grateful for the opportunity to have sat under your teaching and to have had several contacts with you since then at Cedarville.

Please be assured that you are remembered often in prayer.

Thank you again for your contribution to my life and ministry.

Sincerely,

Jack R. Riggs
