Dear Charles:

On a recent trip, I had the opportunity to listen to the tape of your sermon at Philadelphia College of Bible on February 8. It was a blessing and a motivation for me. Thank you for your research, and as always, your clear presentation. You know, of course, that I keep in touch with Wes and the rest of the family. He has greatly enjoyed having your association with P. C. B. and finds your teaching not only a great help to the students but your personal presence an encouragement to him. That has allowed me to keep with your activities.

This is simply a letter of appreciation for your caring scholarship over so many years and another expression of gratitude for your teaching when I was an undergraduate student.

God bless!

Cordially,

Richard J. Stanislaw
President
