Dear Friends:

Greetings in our Saviour's Name.

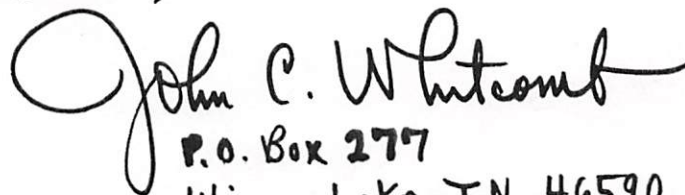

We are pleased to send you our new Bible prophecy chart, The Thousand-Year Reign of Christ. The plastic-coated edition is \$2.00; and the enlarged paper edition is \$1.25.

For ten copies (in any combination) we offer 40% discount - plus postage. The previous chart in this series, The Five Worlds of History, Science & Prophecy, is also available in paper and plastic at these new prices.

The set of six Bible History Charts by Whitcomb and Boyer are now in color-coded, shrink-wrapped packets (enlarged paper edition) for only \$7.50. These same charts in plastic-coated notebook-size are \$12.00.

May our Lord be pleased to use these Bible study helps for His glory.

Sincerely, in Christ,
